

# BSCMR level 1 course in CMR Tuesday 26th March 2019

British Society of Cardiovascular Magnetic Resonance  
level 1 course in CMR at BSG, Oxford  
Tuesday 26th March 2019

Blavatnik School of Government Building  
120 Walton St, Oxford OX2 6GG  
[www.bsg.ox.ac.uk](http://www.bsg.ox.ac.uk)

**15 min Talk and 15 min Cases (for the disease areas)**

**20 min for the non-disease – (15 min talk plus 5 min for questions)**

09:30	Introduction, incl. training requirements & BSCMR resources	tbc
09:45	MRI safety	tbc
10:05	The very basics of MRI physics	tbc
10:25	Tea / coffee	
10:50	Basic components of a CMR study including tissue characterisation*	tbc
11:20	The CMR report	tbc
11:40	Ischaemic Heart Disease (Perfusion, viability)*	tbc
<hr/>		
12:10	Lunch	
<hr/>		
13:10	Cardiomyopathy & infiltrative disease**	tbc
14:00	Valvular heart disease*	tbc
14:30	Adult Congenital Heart Disease*	tbc
15:00	Tea / coffee	
15:20	Aortic disease*	tbc
15:50	Masses / tumours*	tbc
16:20	Pericardial disease*	tbc
16:50	Final wrap-up and finish*	

\* These talks will have 5 short example cases (10 for cardiomyopathy), to reach a total of 50 cases during the day
